Glass Tile may be susceptible to scratching in handling and installation, as well as use. Expect variation of color from production run to production run. Please refer to the TCNA HANDBOOK for more specific information regarding installation.

SEALING & MAINTENANCE

This tile can be sealed with Stone Care International™ Penetrating Sealer, Fila MP90® sealer, or similar product. Please test on a small area before applying. Use a non-abrasive cloth and neutral detergents for cleaning. Avoid acid detergents, chemicals, and solvents.
